

**Em** Put your old ladies back into bed **D Em**  
**D Em**  
**Em** Put your old men into their graves **D Em**  
**D Em**  
**Em** Cover their ears so they can t hear us sing **D Em**  
**D Em**  
**Em** Cover their eyes so they can t see us play **D Em**  
**G**  
**G** Get out of the way **Am**  
**Am**  
**Am** Let the people play **Bm C**  
**Bm C**  
**D Em** We re gonna get down on you **D Em**  
**D Em**  
**D Em** Come alive all over you **D Em**  
**D Em**  
**D Em** Dancin down into your town **D Em**  
**D Em**  
**Em D Em**  
**Em D Em**  
**Em D Em** You know Tyrannosaurus Rex was destroyed before **D Em**  
**D Em**  
**Em** By a furry little ball that crawled along **D Em**  
**D Em**  
**D Em** The primeval jungle floor **D Em**  
**D Em**  
**D Em** He stole the eggs of the dinosaur **D Em**  
**G**  
**G** close your eyes & create the sound **Am**  
**Am**  
**Am** open your hands & rebuild the ground **Bm C**  
**Bm C**  
**Bm C** We are egg snatchers, egg snatchers **Bm C**

**D**  
 flashin sunshine children  
**Em** **D Em**  
 Bunch of diamond thieves

**Em**  
 You unleash the dogs  
**D Em D Em**  
 of a grade-B movie star governor s war  
**D**  
 While you sit in the dark -  
**Em D Em**  
 insane with the fear of dying  
**Em**  
 weâ€™ll ball in your parks  
**D Em**  
 Insane with the flash of living

**G**  
 Iâ€™m alive, I am human  
**Am Bm**  
 i will be alive again  
**C**  
 So drop your fuckin bombs  
**D**  
 Burn your demon babies  
**Em**  
 I will be again  
**Em D Em**  
 Rabid lover  
**D Em**  
 feelin the starch in your grin  
 Callin for acid cocaine and grass  
**D Em**  
 And receiving your homemade gin

**Em D Em**  
 Push the button  
**D Em**  
 pull the switch  
**D Em**  
 cut the beam  
**D Em**  
 c mon make it march  
 Sign me up as a diplomat - my only office is the park

**Em D Em G\***  
 You need to be out before you come in  
**Em D Em G\***  
 After you come you go  
**Em D Em G\***  
 In the midst of Yang is a smaller part of Yin

**Em**                    **D**                    **Em**    **G\***

And when it happens you know

**Em**

the dawn comes

Hey, dick!

**Em**

Whatever you think of us is totally irrelevant

**Em**

Both to us now and to you

**Em**

We are the present

**Em**

We are the future

**Em**

You are the past

**Em**                    **D**                    **Em**

Pay your dues and get outta the way

**Em**                    **D**                    **Am**

Cause we re not the way you used to be

**D**                    **C**                    **Bm**

When you were very young

**Em**

We re something new

We don t quite know what it is

Or particularly care

We just do it - You gotta do it

Let the music do it, take you there

Do it, do it, do it - gotta do it

Something new, something new, something new

New, New

**Em**

Open your eyes there s a new world a-comin

Open your eyes there s a new world today

Open your hearts people are lovin

Open it all we ve come to stay

**Em**

I said, Open it all we ve come to stay

Then play around with this riff:

e|-----|  
B|-----|  
G|-----|  
D|-----|  
A|--5-777-5-777-7070-7070----|  
E|-----|

Just mess around the E note and throw in some Dâ€™s and Aâ€™s.

**Em**

I said, Open it all we ve come to stay  
People, hey you people, everybody  
Us young people come to stay  
I said, people, on relief  
We ve all come to stay

**D**                    **Em**                    **D**                    **Em**

Open your eyes there s a new world a-comin

**D**                    **Em**

Open it all we ve come to stay

**Em**

Yeah, yeah, yeah, open it all

Open it, open it, baby

NOW OPEN THAT DOOR.

**Em** x79987

**D** x57775

**C** x35553

**Bm** x24432

**A** 577555 or x0221x

**G** 355433

**G\*** x-10-12-12-12-10
