Today, I feel like pleasing you more than before

Today, I know what I wanna do, but I don t know what for

C F Em C D C D

To be living for you is all I want to do

C F Em C D C D

To be loving you it ll all be there when my dreams come true

Today, you make me say that I somehow have changed

Today, you look into my eyes I m just not the same

To be any more than all I am would be a lie

I m so full of love I could burst apart and start to cry

Today, everything you want I swear it all will come true

Today, I realize how much I m in love with you

With you standing here I could tell the world what it means to love

To go on from here, I can t use words they don t say enough

Dm Am Bb Am

Please, please listen to me

Dm Am Bb
