## Nothings Gonna Stop Us Now Jefferson Starship

F Fsus

Lookin in your eyes I see a paradise

Bb C7

This world that I found is too good to be true Standing here beside you, want so much to give you This love in my heart and I feel it for you

F Dm

Let em say we re crazy, I ll give a path

Bb C7

Put your hands in  ${\tt my}$  hand baby don t ever look back

F D7sus4

Let the world around us, just fall apart

Bb C7

Baby we can make it if we re heart to heart

And we can build this thing together Standing strong forever Nothing s gonna stop us now

And if this world runs out of lovers We ll still have each other Nothing s gonna stop us Nothing s gonna stop us Now woah woah oh

I m so glad I found you I m not gonna lose you Whatever it takes I will stay here with you Take it to the good times see it through the bad times Whatever it takes is what I m gonna do

Let em say we re crazy, what do they know? Put your hands in my hand baby, don t ever let go Let the world around us, just fall apart Baby we can make it if we re heart to heart

Oh, all that I need is you All that I ever need in the whole of the world to do

Is hold you forever, ever and ever
