Intro: **G** - **Em** - **C** - **G** - **D** - **C**

Verse 1 chords:

G **Em** **C** **G**
The humble sky is falling down, on golden mother May
 D **C**
The sun in shadows rising paints the dawning break of day
G **D**
And you could ask ten thousand times, how come I left that day
G **D**
But the answer won't change your mind
 C **D** **G**
And I've got nothing else to say

Chorus 1 chords:

D **C** **G**
Mine eyes have seen the glory Of that ragged flag unfurled
 Em
And I wonder when the light of the last
C
Honest man passed from this weary world and they say
G **D** **C**
Home is where the heart is, my home ain't in this town
 G **D**

I build walls just to climb them

C **G** **D** **C**

Climb them just so you can help me down

Verse 2 chords:

G **D** **C**

Hear me oh hear me these times they grow faint

G **D** **C** **C/B** **Am**

And the years spring up new like the In...dian paint

G **D** **C**

Our dreams they succeed us our children we taint

G **D** **C** **D** **G**

Pray for my soul... the times they grow faint

Chorus 2: [use chorus 1 chords]

Mine eyes have seen the glory Of that ragged flag unfurled

And I wonder when the light of the last

Honest man passed from this weary world and they say

Home is where the heart is, my home ain t in this town

I build walls just to climb them

Climb them just so you can help me down
