EADGBE  
**Am**: 002210  
**C**: 032010  
**F**: 133211  
**G**: 320033

-----  
Intro: **C**

Verse 1 chords:

**C**                    **G**                    **Am**  
Northbound 35, through the iron hills  
**F**  
Under infidel skies  
**C**                    **G**                    **Am**    **F**  
It s two hundred miles to drive, you won t be home  
**C**                    **G**                    **Am**  
I saw an elsebound train On the overpass  
**F**                    **C**                    **G**  
In the driving rain, every ticket costs the same  
**Am**    **F**  
For where you can t go

Chorus 1 chords:

**G**            **F**            **C**            **G**  
Mustang horses, champagne glasses  
**Am**            **F**            **C**            **G**  
Anything frail anything wild  
**F**  
It s the price of living motion  
**C**                    **G**  
What s beautiful is broken  
**Am**                    **F**                    **C**            **G**    **Am**    **F**

And grace is just the measure of a fall

Verse 2: [use verse 1 chords]

So I rolled into your town, I passed the smokestacks  
And the ore docks down off of Main and the sky spun around  
With her diamonds on fire  
We fought all night and then we danced, in your kitchen  
You were as much in my hands as water or darkness or nothing  
Can ever be held

Chorus 2: [use chorus 1 chords]

Mustang horses, champagne glasses  
Anything frail anything wild  
It s the price of living motion  
What s beautiful is broken  
And grace is just the measure of a fall

Verse 3: [use verse 1 chords]

It s just flashes that we own, little (Am)snapshots  
Made of breath and of bone  
And out on the darkling plain alone  
They light up the sky  
It s 51 and driving south, ain t it funny how things ll turn out  
I never even kissed you on the mouth when we said goodbye

Chorus 3: [use chorus 1 chords]

Mustang horses, champagne glasses  
Anything frail anything wild  
It s the price of living motion  
What s beautiful is broken  
And grace is just the measure of a fall
