Love Disappears

G **G/F#** **Em** **C** **D**
I was gathering all the things I had to tell you
and found that there were more things I had to hide
C **D** **G** **G/F#** **Em**
like lovers and tears....doubts and fears inside me

C **D** **Em**
cause when you re away, there s nothing to say at all
C **D**
cause when you re not here, love disappears.....

I was dreaming of the last time we lied together
seems whenever I need you, you re across the sea
Pressured by peers, sometimes it appears you don t want me
cause when you re away, I ve nothin to say at all
cause when you re not here, love disappears

There s frame after frame, the dream ends the same without you
cause when you re away, I ve not much to say at all
cause when you re not here, love disappears
