VERSE

```

C                Am
Broken broken broken heart
F                C
When will you just go away
                C                Am
You just hurt hurt hurt inside of me
                F                C
Every minute of the nite and day

                C                Am
And all I do is try try not to think
                F                C
Not to think of anything at all
                C                Am
If I can keep myself from thinking for the rest of my life
F                C
Maybe I ll survive this fall

```

C
Oh this fall fall fall
Am
See how low I fell
F C
From where I was when I had you
C Am
Now I m falling in a hole and it s dark and cold
F C
And the only thing that I can do

C Am
Is try try try try not to think
F C
Not think of anything all nite and day
C Am
Broken broken broken heart
F C
When will you just go away

INTERLUDE x2

VERSE

C Am
But it breaks breaks breaks and it never stops
F C
Though I know that somehow it has to
C Am
And every time I feel that I just can t feel worse
F C
I find out that it isn t true

C Am
Broken broken broken glass
F C
Rattling inside my chest
C Am
What am I to do with every empty day?
F C
I can t eat and I can t rest

BRIDGE

F G F
And why why why does yr phone keep ringing?
F G F
And how how how does this hurt keep coming?
C
Every nite and every day
F
Oh, I was so careless

Oh, I was so stupid

G

To think I d never feel this way

F G F G

This way

But now all that I can say is

VERSE

C Am

Broken broken broken heart

F C

When will you just be gone?

C Am

You just hurt hurt hurt inside of me

F C

And everything just feels so wrong

C

But thank you, thank you, thank you pain

Am

For teaching me

F C

Thanks but it s been more than enough

C

You can stop now pain

Am

I ll never throw away

F C

That project that two people built called love

QUIET PART

C Am

Because we built it and we built it but I was so cruel

F C

I wanted to know how it ran

C Am

I kicked it just to see what it would do

F C

I was such an awful man

C Am

I wondered what would happen if I tested it

F C

Then what if I tested again

C

How strong is it really?

Am

Can I step on it?

F C

Can I leave it standing in the rain?

C

Am

Can I tell it that I don't care if it lives or dies?

F

C

Can I hate it and just wait and see?

C

Am

F

C

Can I send it to the arms of another man less cruel and curious than me?

VERSE

C

Am

Well, just as you're thinking I tried and tried

F

C

To make it go away and break the chain

C

I said I'd trade it for freedom

Am

I'd trade it for adventure

F

C

But the only thing I got was pain

C

Am

Broken broken broken heart

F

C

When will you just go away

C

Am

You just hurt hurt hurt inside of me

F

C

Every minute of the night and day

C

Am

And all I do is try try not to think

F

C

Not to think of anything at all

C

Am

If I can keep myself from thinking for the rest of my life

F

C

Maybe I'll survive this fall
