

Whistle Past The Graveyard
Jeffrey Lewis

G C G
I always like to be surprised
C G
I dont want to be told what happens after I die
C G
Death is like a mystery gift wraped up in a box
C G
sent from infinity and stamped with question marks.
F G
Everyone s got theres and I ve got mine
C G
people shake it, weigh it, discuss it all the time .
C G
I tend to think theres nothing at all in it
C G
But its cool that I could find out any minute

G C G
And I whistle past the graveyard when I walk
C G
Cause I dont wanna hear the corpses talk
C G
I dont wanna hear them grumble and complain
C G
Or disscuss how much they want to eat my brain

F G
and I always kind of like to be surprised
C G
I dont wanna be told what happens after I die.
C G
no I dont wanna hear the courpses talk
C D
so I whistle past the graveyard when I walk

whistle to chords G C G, the rest of the song follows the same basic chord progression

Well if we lived for ever we d realy want to find out
But what a relief, we all die, so theres nothing to worry about
Some say that life is empty, some say its meaningless
And some say it isn t such a bad thing if it is
and some say im wrong and that i ll go to hell
But i d be happy just knowing that there was a point so its just aswell
some people assume that youll suffer there, they just think you re selfish

if I was in hell id be glad knowing that other people are in heaven
it d make it no so hellish

And I whistle past the graveyard when I walk
Cause I dont wanna hear the corpses talk
but I want black cats to cross my path and I pick up bad pennys
and if theres monsters in my closet then come and get me

and I always kind of like to be suprised
I dont wanna be told what happens after I die.
no I dont wanna hear the courpses talk
so I whistle past the graveyard when I walk.
