G#m
Every dayâ€™s made of stone
C#m D#m G#m

C#m D#m
City lights I can see, beckon to me

Iâ€™m not wastinâ€™ more time, noâ€™oâ€™o
G#m
From far away they promise me fame
C#m D#m
Follow them right on through

CHORUS

G#m C#m
Oh Iâ€™m on the run
D#m G#m
Tonight and every day
C#m
I want everything
D#m
â€™Cause I want everything
G#m C#m
Oh Iâ€™m on the run
D#m G#m
Iâ€™m not afraid to say
C#m
I want everything
D#m
â€™Cause I want everything

G#m C#m D#m x2

VERSE2 (same as before)

Wave your hand on the quay
I ainâ€™t cominâ€™ back this way
â€™Cause those lights are gonna shine on me
And I will learn to say
Goodbye a thousand different ways
Gotta start out somewhere
Movinâ€™ on, movinâ€™ on now

CHORUS (same as before)

Oh Iâ€™m on the run
By night and every day
I want everything
â€™Cause I want everything
Oh Iâ€™m on the run
Iâ€™m not afraid to say
I want everything
â€™Cause I want everything

All I wanna
Wanna know everything
Gotta reach inside your soul

All I wanna
Wanna know everything
Gotta face what you are shown

All I wanna
Wanna know everything
Find the place where you belong

Oh, out on the road
The price you have to pay
If you want everything
If you want everything

Oh, out on the road
The price you have to pay
If you want everything
If you want everything
