## My Girl Jeites

Is her, my girl, my girl, my girl Come on it's time to play You the sunshine after the rain Oh she wont mine She said she want to play the game But I insist you need to be Dress up like the moon over me Don't you agree Please, please, take me away (from this fucking city) Take me away (from this fucking town) Ε Take me away from Bs.As D I want you please bring me back (Bring me back on time) Please bring me back (bring me back) Ε Please brinh me back the following summer Α Is her the lady in my film The table is between But she is already over my skin Or she is just acting One day the story will go on But we need to carry on Bm

She is forty and I am so young But I'm in love. Please, please, take me away (from this fucking city) Take me away (from this fucking town) D E Take me away from Bs.As I want you please bring me back (Bring me back on time) Please bring me back (bring me back) D E Please bring me back the following summer D Please, please, take me away (from this fucking city)  $\mathbf{E}$ Take me away (from this fucking town)  $\mathbf{E}$ Take me away from Bs.As I want you please bring me back (Bring me back on time) Please bring me back (Yeahh) Ε Please bring me back the following summer
