[illegible]

He knew it better that perfume was gravity  
Pulling him closer to what could be tragedy  
Love is blind, deaf, and dumb, but never mind.

**Am** **G** **D**  
 You better catch me when I fall  
**E**  
 I m on my roller skates  
**Am** **Am/G#** **G** **D/F#**  
 Cause any old way that I fall  
**F** **G**  
 I land in you arms even though I m wrong  
**Am** **G**  
 Cause I love my new mistake.

Intermission gave way to a miracle  
The birth of an accident grew to a spectacle  
That couldn't wait the mother was three weeks late.

So Father Mason clutching his crucifix  
Baptized the baby in whiskey and licorice  
What a lovely way drowning sins in tooth decay

Looks like our hero s gonna fall  
The bow s about to break  
Cause any old way that I fall  
I ll be in your arms as we lie awake  
Cause I love my new mistake

<b>Eb</b>	<b>Ebmaj7</b>	<b>Eb7</b>	
<b>Ab</b>	<b>Bb</b>	<b>Cm</b>	Bb/D (repeat)
G.....			

You better catch me when I fall  
My sugar trampoline  
Cause any ole way that I fall  
I land in your arms even though it s wrong  
Cause I love my new mistake

The ending turned tragic when many years later  
The baby had grown up and married a pop singer  
I guess it was her turn to make her first mistake

Any ole time at all  
Any ole way that I fall  
I just lie awake with my new mistake
