Jem

Capo 1st Fret

**Em B7 Em B7**  
Who made up all the rules?  
**Em B7 Em B7**  
We follow them like fools,  
**Em B7 Em B7**  
Believe them to be true,  
**Em B7 Em B7**  
Don't care to think them through

**Em Am D G**  
And I'm sorry, so sorry  
**Em Am Em Em**  
I'm sorry it's like this  
**Em Am D G**  
And I'm sorry, so sorry  
**Em Am Em Em**  
I'm sorry we do this

**Em B7 Em B7**  
And it's ironic too

Cause what we tend to do  
Is act on what they say  
And then it is that way

**Em Am D G**  
And I'm sorry, so sorry  
**Em Am Em Em**  
I'm sorry it's like this  
**Em Am D G**  
And I'm sorry, so sorry  
**Em Am Em Em**  
I'm sorry we do this

**Em Am**  
Who are they?  
**Em Am**  
Where are they?

**Em Am**  
How can they possibly

**Em Am**  
Know all this?

**Em Am**  
Who are they?

**Em Am**  
Where are they?

**Em Am**  
How can they possibly

**Bm Em**  
Know all this?

**Em B7 Bm Em**  
Do you see what I see?

**Em Am Bm Em**  
Why do we live like this?

**Em B7 Bm Em**  
Is it because it s true

**Em Am Bm Em**  
That ignorance is bliss?

**Em Am**  
Who are they?

**D G**  
Where are they?

**Em Am**  
How do they  
**Bm Em**  
Know all this?

**Em Am B7 Em**  
And I m sorry, so sorry  
**Em Am Bm Em**  
I m sorry it s like this

**Em B7 Bm Em**  
Do you see what I see?  
**Em Am Bm Em**  
Why do we live like this?  
**Em B7 Bm Em**  
Is it because it s true  
**Em Am Bm Em**  
That ignorance is bliss?

**Em Am**  
Who are they?
