**G** **Cadd9**  
Do you know who you are? Do you ever think about it?

**G** **Cadd9**  
If you were told it s a place, would you drive until you found it?

**G** **Cadd9**  
Would you turn down a street that you know would lead  
**Dadd9**  
To where you were before?

**Cadd9** **Dadd9** **Cadd9**  
You call it home, but are you really sure that s your home?

**G** **Cadd9**  
Do you know what you want? Have you ever reconsidered

**G** **Cadd9**  
What a trip we are on and it s the only ride we re given?

**G**  
If you could fly, would you try?

**Cadd9** **Dadd9**  
Would your feet stay firmly planted on the ground?

**Cadd9** **Dadd9** **Cadd9**

Can you explain why the only place you go is to waste?

Now you go to work and you work all day

**Cadd9**

Til the boss comes back and at the stroke of 5
