Homeless Heart
Jennette McCurdy
```

This is my first tab.. and I think its wrong but.. at least i tried :)

G D

Lonesome stranger

Am Em

With a crowd around you

G D Am

I see who you are

G D

You joke they laugh

Am Em

Til the show is over

G D Am

then you fall so hard

G D

If you re needing

Am Em

A soul-to-soul connection

G Am D

I ll run to your side

Em G

When you re lost in the dark

Em

When you re out in the cold

D G Am

When you re looking for something that resembles your soul

•

When the wind blows your house of cards

Am Em G

I ll be a home to your homeless heart

G D

Open close me

Am Em

Leave your secrets with me

G An

I can ease your pain

G Dsus4

And my arms will be

Am Em

Just like walls around you

G D Am

Come in from the rain

```
If you re running
      Αm
                 Em
In the wrong direction
           Am
I will lead you back
      \mathbf{Em}
When you re lost in the dark
When you re out in the cold
When you re looking for something that resembles your soul
When the wind blows your house of cards
          Am
                       Em
I ll be a home to your homeless heart
Α
Broken
 G
                 Em
Shattered like a mirror
   Am
             D
In a million pieces
            Em
                  G
Sooner or later you ve got to find
             \mathbf{E}\mathbf{m}
                       Αm
Something, someone to find you and save you
When you re lost in the dark
When you re out in the cold
When you re looking for something that resembles your soul
When the wind blows your house of cards
                       Em
I ll be a home to your homeless heart
                         D
                                           G
When you re looking for something that resembles your soul
         Εm
                           G
When the wind blows your house of cards
                        Em
I ll be a home to your homeless heart
