```
That I left unspoken
Em
What hurts the most
Was being so close
And having so much to say
And watching you walk away
And never knowing
                   C9
What could have been
                    G
                          Dsus4
And not seeing that loving you
                Em7
Is what I was tryin? to do
