

Troubles

Jennifer Kea

#It s my first Tab/chords. I never found any Chords for this amazing song so I got to work and listened it out. Hope that I can make other people happy who search for chords for this song like i did. So enjoy and I m sorry for some faults. The name of Jennifer Kae is wrong but ultimate-guitar only knows her with Jennifer Kea, so I submit the Tab with this name#

Intro: **Am, F, Am, F,...**

G **Dm7**
Let s run all the red lights
G
shoot out some tail lights
F **G**
cover our faces and fake our I.D.
Dm7
we re moving like shadows
G
go where the wind blows
F
wreckless and foolish

take what we need

Am **F**
Where did it start
Am
and when will it end
F
A moment of calm

before it starts again

C **G**
Oh yeah, I m sensing trouble
Dm7
best run for cover
F
until it s over
C
and we are always
G
getting in trouble
Dm7

we re bad for each other

F

but better together

G **Dm7**

Burn all our bridges

G

ignore all the warnings

F

rip up the pages form our history

G **Dm7**

I ll go where you go,

G

coz you know and I know

F

better to burn out than fade away

Am **F**

Where did it start

Am

and when will it end

F

A moment of calm

before it starts again

C **G**

Oh yeah, I m sensing trouble

Dm7

best run for cover

F

until it s over

C

and we are always

G

getting in trouble

Dm7

we re bad for each other

F

but better together

G **Am**

We might be wrong

G

we might be right

F

it s not set in stone

C G

not black or white

G **Am**

we might be strong

G

put up a fight

F

we don t belong

F

C

all along you know there s trouble inside

C

G

Oh yeah, I m sensing trouble

Dm7

best run for cover

F

but we re better together

Outro: **F, Am, F, Am....**
