

Troubles

Jennifer Kea

#It s my first Tab/chords. I never found any Chords for this amazing song so I got to work and listened it out. Hope that I can make other people happy who search for chords for this song like i did. So enjoy and I m sorry for some faults. The name of Jennifer Kae is wrong but ultimate-guitar only knows her with Jennifer Kea, so I submit the Tab with this name#

Intro: **Bbm, F#, Bbm, F#,...**

G# **Ebm7**
Let s run all the red lights
G#
shoot out some tail lights
F# **G#**
cover our faces and fake our I.D.
Ebm7
we re moving like shadows
G#
go where the wind blows
F#
wreckless and foolish

take what we need

Bbm **F#**
Where did it start
Bbm
and when will it end
F#
A moment of calm

before it starts again

C# **G#**
Oh yeah, I m sensing trouble
Ebm7
best run for cover
F#
until it s over
C#
and we are always
G#
getting in trouble

Ebm7

we re bad for each other

F#

but better together

G# **Ebm7**

Burn all our bridges

G#

ignore all the warnings

F#

rip up the pages form our history

G# **Ebm7**

I ll go where you go,

G#

coz you know and I know

F#

better to burn out than fade away

Bbm **F#**

Where did it start

Bbm

and when will it end

F#

A moment of calm

before it starts again

C# **G#**

Oh yeah, I m sensing trouble

Ebm7

best run for cover

F#

until it s over

C#

and we are always

G#

getting in trouble

Ebm7

we re bad for each other

F#

but better together

G# **Bbm**

We might be wrong

G#

we might be right

F#

it s not set in stone

C# G#

not black or white

G# **Bbm**

we might be strong

G#

put up a fight

F#

we don t belong

F#

C#

all along you know there s trouble inside

C#

G#

Oh yeah, I m sensing trouble

Ebm7

best run for cover

F#

but we re better together
