Troubles

Jennifer Kea

#It s my first Tab/chords. I never found any Chords for this amazing song so I got to

work and listened it out. Hope that I can make other people happy who search for chords

for this song like i did. So enjoy and I m sorry for some faults.

The name of Jennifer Kae is wrong but ultimate-guitar only knows her with Jennifer Kea,

so I submit the Tab with this name#

Intro: Gm, Eb, Gm, Eb,...
