

Troubles

Jennifer Kea

#It s my first Tab/chords. I never found any Chords for this amazing song so I got to work and listened it out. Hope that I can make other people happy who search for chords for this song like i did. So enjoy and I m sorry for some faults. The name of Jennifer Kae is wrong but ultimate-guitar only knows her with Jennifer Kea, so I submit the Tab with this name#

Intro: **Bm, G, Bm, G,...**

A **Em7**
Let s run all the red lights
A
shoot out some tail lights
G **A**
cover our faces and fake our I.D.
Em7
we re moving like shadows
A
go where the wind blows
G
wreckless and foolish

take what we need

Bm **G**
Where did it start
Bm
and when will it end
G
A moment of calm

before it starts again

D **A**
Oh yeah, I m sensing trouble
Em7
best run for cover
G
until it s over
D
and we are always
A
getting in trouble

Em7

we re bad for each other

G

but better together

A **Em7**

Burn all our bridges

A

ignore all the warnings

G

rip up the pages form our history

A **Em7**

I ll go where you go,

A

coz you know and I know

G

better to burn out than fade away

Bm **G**

Where did it start

Bm

and when will it end

G

A moment of calm

before it starts again

D **A**

Oh yeah, I m sensing trouble

Em7

best run for cover

G

until it s over

D

and we are always

A

getting in trouble

Em7

we re bad for each other

G

but better together

A **Bm**

We might be wrong

A

we might be right

G

it s not set in stone

D A

not black or white

A **Bm**

we might be strong

A

put up a fight

G

we don t belong

G

D

all along you know there s trouble inside

D

A

Oh yeah, I m sensing trouble

Em7

best run for cover

G

but we re better together

Outro: **G, Em, G, Em....**
