F(barre): 133211

Dm: XX0231

INTRO: **Am, E7, Am, F, E7**

VERSE 1:

Am **E7**
I know theyâ€™ll bury me, before they hear the whole story
Am **E7**
Even if they do, well, I know they wonâ€™t care to
Am **E7**
Chalk it up to one mistake, oh God forbid they give me grace
Em **E7**
Well, who in the hell do they think they are?

CHORUS:

Dm **Am**
Oh, Iâ€™m the one who keeps it on the inside
Dm **E7**
Locked away from judgments wrong
Dm **Am**
Oh Iâ€™m the one who keeps it on the inside
E7 **F** **E7**
So theyâ€™ll leave me alone, leave me alone

VERSE 2: (same chords as Verse 1)

Each and every revolution starts at least with one illusion
You and I can be the same, with one small mind
Do this and donâ€™t do that, which you think you cant take back
Well who in the hell do you think you are?

BRIDGE:

Am **E7**
I know theyâ€™ll bury me, I know theyâ€™ll bury me,

Am **E7**
I know theyâ€™ll bury me alive

Am **E7**
Even though Iâ€™ve got conviction, even though Iâ€™ve got my pride

Am **E7**
I know theyâ€™ll bury me, theyâ€™ll bury me alive

REPEAT CHORUS
