WHEN NOTHING SATISFIES

**G** (320033)  
**D** (xx0233)  
**Em** (022033)  
**C** (x32033)

When it [D] rains or it shines  
On this [C] pillow of mine  
I will [D] lift up my head to the [C] sky  
So I [D] have a chance to see  
Where my [C] hope has come from  
And know thereâ€™s [D] nothing that I canâ€™t [C] abide

CHORUS

When [G] nothing satis[D]fies [Em] you [C]  
When [G] nothing satis[D]fies [Em] you [C]  
When [G] nothing satis[D]fies [Em] you  
Hold my [C] hand [G], hold my [C] hand [G]

Send forth your light, Lord  
And send forth your truth  
And then guide me to your holy place  
Then will I go  
To the altar of God  
To my joy, my delight, and my strength

CHORUS

BRIDGE

Oh, why are you  
[D] so [C] down[D]cast, oh [C] my soul?  
Why so dis[D]turbed within [C] me?  
Put your [D] hope in God  
My [C] savior, my king  
My [D] savior, my [C] king

CHORUS
