

**You Answer Me**  
**Jennifer Knapp**

[Verse 1]

**A** **E**  
All the things I want to say  
**A** **E**  
All at once they wash away  
**F#m** **C#m**  
As You walk by, out of mind  
**G#** **A**  
My thoughts fly away

**A** **E**  
All the things I long to hear  
**A** **E**  
Suddenly they reappear  
**F#m**  
You say in that hour  
**C#m** **G#** **A**  
Your holy Power will wipe away my fears

[Chorus]

**E** **B**  
I can hear You cry out loud  
**A**  
When You answer Me  
**B**  
When You answer me  
**E** **B**  
Once again I am revived  
**A**  
When You answer me You answer  
**B**  
When You answer me You answer  
**A** **E** **A** **E**  
Me with love

[Verse 3]

**A** **E**  
To know You are I Am  
**A** **E**  
Confidence of lion laying with the lamb  
**F#m** **C#m**  
In greener fields, with all my zeal  
**G#** **A**

Is hard to comprehend

[Chorus]

**E** **B**  
I can hear You cry out loud

**A**  
When You answer Me

When You answer me

Once again I am revived

When You answer me You answer

**B**  
When You answer me You answer

**C#m**  
Me with love

[Bridge]

**C#m**  
So understanding

**B**  
I can hardly catch my breath

**A**  
Seeing this I wonder

**G#**  
How You have any love left

**A** **E**  
Me not alone when I did not believe

**B**  
Through the darkness

**A** **E** **A** **E** **B**  
Through the darkness You answer me

[Chorus]

**E** **B**  
I can hear You cry out loud

**A**  
When You answer Me

When You answer me

**E** **B**  
Once again I am revived

When You answer me You answer

Me with love
