You Answer Me Jennifer Knapp

[Verse 1] All the things I want to say All at once they wash away C#m As You walk by, out of mind G# My thoughts fly away [Verse 2] All the things I long to hear Suddenly they reappear F#m You say in that hour C#m G# Your holy Power will wipe away my fears [Chorus] I can hear You cry out loud Α When You answer Me В When You answer me Once again I am revived When You answer me You answer В When You answer me You answer A E A E Me with love [Verse 3] To know You are I Am Confidence of lion laying with the lamb

C#m

In greener fields, with all my zeal

A

G#

[Chorus] I can hear You cry out loud When You answer Me When You answer me Once again I am revived When You answer me You answer When You answer me You answer C#m Me with love [Bridge] C#m So understanding В I can hardly catch my breath Seeing this I wonder How You have any love left Me not alone when I did not believe Through the darkness E A E B Α Through the darkness You answer me [Chorus] I can hear You cry out loud When You answer Me В When You answer me Once again I am revived When You answer me You answer When You answer me You answer A E A E Me with love
