(F# - C#/F - Bbm : F# - C#/F - F#) [seguem esses acordes por toda a cifra]

Baby don t go, baby don t go
Baby don t go, baby don t go

Yeah, yeah... yeah, yeah

F# **C#/F** **D#m**
It s such a shame but I m leavin
 C# **C#/F** **F#**
Can t take the way you mistreated me

F# **C#/F**
And it s crazy but oh baby
D#m **C#**
It don t matter, whatever
 C#/F **F#**
It don t phase me

I don t believe you wanna leave like this
I don t believe I just had my last real kiss
I do believe we ll laugh and reminisce
Wait a minute, don t bounce baby,
let s talk about this, miss

Well, I m bouncin
And I m out son
I gotta leave you alone
Cause I m good
Holdin down my spot
And I m good
Reppin the girls on the block
And I m good
I got this thing on lock
So without me you ll be fine, right?

All my pride is all I have
Pride is what you had, baby girl I m what you had
You ll be needing me but too bad
Be easy, don t make decisions when you mad
The path you chose to run along
I know you re independent, you can make it on your own

Here with me you had a home, oh yeah...
The time is of the essence, why spend it alone

The nights I waited up for you
Promises you made about coming through
So much time you wasted
That s why I had to replace you

It makes a cat nervous
The thought of settlin down
Especially me
I was creepin all over town
I thought my tender touch could lock you down
I knew I had you
As cocky as it sounds
The way you used to giggle
Right before I put it down
Sped up when you angry
Come here, Ill prove it now
(Come here)

Stop playin
You gamin
I gotta leave you alone

Cause I m good
Holdin down my spot
And I m good
Reppin the girls on lock
And I m good
I got this thing on lock
So without me you ll be fine, right?

People make mistakes
To make up, to break up, to wake up
Cold and lonely
Chill, baby, you know me
You love me
I m like your homie
Instead of beefin
Come hold me
I promise I m not a phony
Don t bounce baby
Console me
(Come here)

Ain t nothin you can say, to me
That can change my mind
I gotta let you go now
Ain t nothing will ever be the same
So just be on your way
Go ahead and do your thing now
And there s no more to explain to me

You know
I know your game and
I m feelin what you do

So I m bouncin
And I m out son
I gotta leave you alone
Yeah, yeah...
