B|-----3-----|
G|-----|
D|-----|
A|-----|
E|-----|
```

Played 4 times

Verse Chords

```
A                               Em7
  boy i never knew i could feel
the way i felt when i felt the way
A
  you were feeling me baby
                Em7
i m so out of control, yeah

A                               Em7
  everytime you look my way
i realize more and more
A                               Em7
  how much i adore those pretty eyes of yours
i m helpless baby
```

Key change to C

Bridge 1

```
F
  what i wanna know is
E                               E.G
  are you willing to try
F           Dm
  can you love me for a lifetime
E
  in just one night
```

CHORUS

```
A                               Em7
  baby i love you (love you)
                A
  baby i need you(need you)
                Em7
  i gotta have you(gotta have you babe)
  can t be without you
  (repeat)
```

VERSE CHORDS

blessed and cursed on the same day
the day that i first felt the power of you
inside of me, such a strong feeling
there comes a time in everyone s life
when you know, and everyone around you knows
that everything is changed,
you re not the same, it s a new day

Brige Chords

oh what i wanna know is,
are you willing to try
there s gotta be more meaning to this
than what meets the eye

CHORUS CHORDS

baby i love you
baby i need you
i gotta have you
can t be without you

Bridge 2

F,F,Em7,Dm7,E,

Asus9

oh, i love the way you kiss me
F,F,Em7,Dm7,E
oh, baby please
Dm, G, E
i m about to lose my mind
Am Dm7
oh talk to me, cause i m begging for you
and i m down on my knees
E NC
baby, i know you re the one that i need

Drum interlude, then Intro riff played twice

Then CHORUS CHORDS PLAYED CONTINUOUSLY TILL END

baby i love you(love you)
baby i need you(need you)
i gotta have you(gotta have you babe)
can t live without you(be without you)
