Darling get on the floor

Let me introduce you to my party people
In the club... [Em]
I m loose
And everybody knows I get off the train
Baby its the truth
I m like inception I play with your brain
So I don t sleep I snooze
I don t play no games so dont get it confused no
Cos you will lose yeah
Now pump it up
And back it up like a Tonka truck [Em]
If you go hard you gotta get on the floor
If you re a party freak then step on the floor
If you r an animal then tear up the floor
Break a sweat on the floor
Yeah we work on the floor
Don t stop keep it moving
Put your drinks up
Pick your body up and drop it on the floor
Let the rhythm change your world on the floor
You know we re running sh*t tonight on the floor
Brazil Morocco
London to Ibiza
Straight to LA, New York
Vegas to Africa
I know you got it clap your hands on the floor
And keep on rockin , rock it up on the floor
If you re a criminal kill it on the floor
Steal it quick on the floor, on the floor
Don t stop keep it moving
Put your drinks up
Its getting ill it s getting sick on the floor

We never quit, we never rest on the floor
If I ain't wrong we'll probably die on the floor
Brazil Morocco
London to Ibiza
Straight to LA, New York
Vegas to Africa
That badonka donk is like a trunk full of bass on an old school Chevy
All I need is some vodka and some... coke
And watch... get donkey konged
... if you're ready for things to get heavy
I get on the floor and act a fool if you let me
Don't believe me just vet me
My name ain't Keath but I see why you sweat me
