

**How Do I Deal**  
**Jennifer Love Hewitt**

Jennifer love Hewitt    How do I deal

-----  
intro: **Bb**            **Dm**            **C**            **Dm**    x2  
-----

verse 1

**Bb**            **Dm**            **C**            **Dm**  
Every day I wake up to another day gone by

**Bb**            **Dm**            **C**            **Dm**  
Nothing but the open road and the never - ending why

**Bb**            **Dm**            **C**            **Dm**  
Anything can happen, yeah, but nothin ever does

**Bb**            **Dm**            **Gm**  
I try to change, it s kinda strange, the same as it ever was, but look at us

Chorus

**F**  
How do I deal with you

**Am**  
How do I deal with me

**Gm**  
When I don t even know myself

Or what it is you want from me

**F**  
How do I deal with us

**Am**  
How do I know what s real

**Gm**  
When I don t even trust myself

Or what it is I feel

**Bb**    **Dm**    **C**    **Dm**  
And how do I deal

verse 2

**Bb**            **Dm**            **C**            **Dm**  
Every night, in the dark, I lie awake in bed

**Bb**            **Dm**            **C**            **Dm**  
How am I supposed to dream, with all the static in my head

**Bb**                    **Dm**                    **C**                    **Dm**  
I turn in all directions and I pray for some relief

**Bb**                    **Dm**                    **C**                    **Dm**  
What can I do but feel the weight I m underneath  
And grit my teeth

Chorus

**F**  
How do I deal with you  
   **Am**  
How do I deal with me  
   **Gm**  
When I don t even know myself  
  
Or what it is you want from me  
   **F**  
How do I deal with love  
  
   **Am**  
(Why do I) Why do I have to choose  
   **Gm**  
And everybody s tellin me

What the hell I have to do  
   **F**  
And how do I deal with us  
   **Am**  
How do I know what s real (Real)  
   **Gm**  
When I don t even trust myself

Or what it is I feel  
   **Bb**                    **Dm**                    **C**                    **Dm**  
Now how do I deal

**F**  
How do I deal with you (How do I deal with you)  
   **Am**  
How do I deal with me  
   **Gm**  
When I don t even know myself

Or what it is you want from me  
   **F**  
How do I deal with love (How do I deal)  
   **Am**  
Why do I have to choose  
   **Gm**  
When everybody s tellin me

What the hell I have to do

**F**

How do I deal with you (How do I deal with you)

**Am**

How do I deal with me (How do I deal with me)

**Gm**

When I don't even know myself

Or what it is you want from me

**F**

How do I deal with us (How do I know what's real)

**Am**

How do I know what's real

**Gm**

When I don't even trust myself

Or what it is I feel
