Bm D*

I see a mystery ship out on the water

Bm B5

I wonder where it s sailing to

Bm D*

Is someone waiting in some other harbor

Bm D*

This fantasies they blow my way

Bm Asus4/A

Like sirens to a fool

Bm D*

And in the stillness of my soul

Bm Asus4/A

I keep returning to

CHORUS:

Bm

Always You

D* D D*

(you know I live out on the wind where love runs free)

Bm Asus4/A

I come back to you

Bm

Always You

D* D D*

(and when I fall to earth you re always there for me)

B5

I come back, I come back, I come back to you

Bm D*

Looking at myself till the mirror shatters

Bm B5

I ear a madman sing his tune (he says)

Bm D*
