G D
It wouldn t hurt to tell the truth sometimes
Fmaj7 C/G G
I m sweet, yeah you better believe it
Fmaj7 C/G
I m not one to criticize
G Am
but you never had a smile that could reach the eyes
Fmaj7 C/G
On three, on four

G

Close the door as you re leavin

I have of late
Considered how I feel
And every day, every day now
It s becoming clear
I m tired and wasted
and I can t take it
So go ahead and hate me if it makes it easy

So it s
Goodbye to your little white lies
It wouldn t hurt to tell the truth sometimes
I m sweet, yeah you better believe it
I m not one to criticize
but you never had a smile that could reach the eyes
On three, on four
close the door as you re leavin

Oh,yeah
self-preservation
Some damaged limitation
I m outta danger from your unruly nature
So go ahead and hate me if it makes it easy

Goodbye to your little white lies
It wouldn t hurt to tell the truth sometimes
I m sweet, yeah you better believe it
I m not one to criticize
But you never had a smile that could reach the eyes
On three, on four
Close the door as you re leavin

Thing that you should know
Goodbye
cause this time, this time you better believe it
No more little white lies
No more little white lies
Close the door as you re leavin

Bye-Bye
