I know Dpower isn t a chord, but it s a root and fifth, so it s basically a power chord.  
The **A#** and **C** probably aren t **A#** and **C** either, but pretty close to in a **G** shape.

**G**  
I was running

**D**

From imaginary vampire bats

I was shrieking at the moon

**G**

While Montezuma laughed

Oh, Aztlan blues  
And reds and greens and golds  
I hope that I die  
When I m 100 years old

**Am** **D**

With you

I was making love  
To my sister from another life  
I was stitching seams of my opium dreams  
With a needle from a camel s eye

If I could give myself some advice  
I d go out of my mind right now

I d stay here with my baby  
Forever in the here and now

Looking like a New Yorker cartoon  
Sleeping in a golden cocoon  
With you  
With you

**G G/F# Bm Em Bm**

D Dadd Dpower Dadd

I was returning my salute  
To the Lieutenant paper bag  
And my best friend, Farmer Dave  
Lit me up so I could take a drag

My sister s former flame  
Threw his shirt into the fire  
An aging child prodigy  
A genius who inspired

Looking like a New Yorker cartoon  
Sleeping in a golden cocoon  
With you  
With you  
With you
