

Trying My Best To Love You  
Jenny Lewis

**G** **C**  
Our love is sweeter than strings

**G** **C**  
Our love is thicker than angel wings

**Am** **C** **G**  
But still sometimes I can't believe you're real

**Am** **C** **G** **C**  
It's just that I got diamonds in my eyes for you.....Ooooo

**G** **D**  
For you

**Am** **C** **G**  
Trying my best to love you

**Am** **C** **G**  
Trying my best to love you

**Am** **C**  
Trying my best to love you

**G** **C**  
They make it so hard on us baby

**G** **D**  
It's so hard on us baby

**Em** **C**  
I want you back my baby

**Em** **C**  
I want you back in my arms

**Em** **C** **G**  
I want you back but right now they make it so hard on us baby

**G** **C**  
It's so hard on us baby
