Intro: G

G

I know how this part goes We'll call it casual You'll say that's fine with you You like to keep things loose

Em

But then some time will pass I know youâ $\in$ <sup>TM</sup>ll tire of it

D

You want me carved in stone You want the best of it

Am C

0 god

G Em D C

I canâ $\in$ TM stay I wonâ $\in$ TM stay for things left unseen

G Em D Am

I canâ $\in$ mt stay I wonâ $\in$ mt stay I know youâ $\in$ mre a dream

D

A sweet sweet dream

You think you've seen one girl
So you've seen every girl
You know her breath will catch
And how her fingers curl
Around a gnawing hope
She'll find a love that burns
I've seen a hundred backs
But never one return

0 god

I can't stay I won't stay for things left unseen

I can't stay I won't stay I know you're a dream

A sweet sweet dream

0 god

I can't stay I won't stay for things left unseen

I can't stay I won't stay the end has no means

I can't stay I won't stay I know you're a dream

A sweet sweet dream

You're a dream

But not my dream
