Every night

The sheets pulled tight

I m sinking before I begin

Silent as the light goes black

And digging to see what beats within

Ripping in two

A mountain of ashes

I m just like you

CHORUS (SAME)

You come to find me

A mess at your door

Arms under elbows as I hit the floor

I mean to tell you just what I ve done

How could you choose me when I ve just begun

Don t know what I ll be when morning comes
