[Verse 1]

**G C**  
Yours is the voice that calls me home  
**G C**  
And when you sing I can't help but sing along  
**Am F**  
You say my name and I feel different  
**G G/B C**  
Feels like the girl in me is waking up

[Chorus]

**F C**  
Darling we're getting older  
**G**  
Your hair's getting thinner  
**C**  
And I'm getting wider  
**F C**  
We're not the kids we once were  
**G**  
We're a man and a woman  
**G/G# Am**  
Not a boy and a girl

But I still feel like that girl sometimes
