For the election

When they announced the results  
I left the procession (procession)  
Content in the world's direction (direction)  
Tried to call you for an estimation (estimation)  
Of the distance to the star constellations (constellations)  
Or any explanation of

How a broken heart is not the end of the world  
Cause the end of the world is bigger than love

(Frank Mills piano sample)

And it's bigger than an iceberg  
Than the plume of a geyser  
And it's bigger than the spider  
Floating in your cider  
And it's bigger than the stock market  
And the loose change in your pocket  
And the Flatbush Avenue Target  
And their pharmacy department  
And it's bigger than our problems  
And our inability to solve them  
From Coney Island to Harlem  
To the end of the world and back again

A broken heart is not the end of the world  
Cause the end of the world is bigger than love
