

Girl In My Head

Jer Coons

NOTE during the bridge he is not playing those exact chords he varies them in the time he is playing so just play what you think sounds right

Capo 4 or on a Baby Taylor/ Martin

Gsus F/Gsus Csus D

Gsus

sitting here without you

F/Gsus

and i think i m finally numb

Csus

for the first time in my mind

D

thinking i don t feel so young

Gsus

and i just can t lose this

F/Gsus

little space i once adored

Csus

and i implore

D

when i realize there s nothing that i ve been waiting for

verses are the same as chorus

(Chorus)

why can t i move on why can t i let go

it has been so long my love for you it only grows

and i can t read minds

i swear to god that i try

when i finally see the girl in my head is not in front of me

stting here without you

like a song whose name i ve lost

though the message resonates we made the search so great

how could we ever see the cost

(Chorus)

(Bridge)

E

C

D

who can say that in their life the choices made were always right

E

but who would trade these humbling times

C

it takes the growing pains

D

to finally change your mind

(Chorus)

G

when will i finally see the girl in my head is not in front of me

D

G

when will i finally see the girl in my head is not in front of me

D
