G/B	A/C#	D/F#	G
With every song that I sing			
G/B	A/C#	D/F#	G
With every breath that I breathe			
G/B	A/C#	D/F#	G
With every word that I speak			
G/B	A/C#	D/F#	G
With every thought that I keep			

A	Bm	G
So that all might see		
A	Bm	G
Who you are to me		

Em	D	Asus	A
I live	only to please	You	
Em	D	Asus	A
I live	only to please	You	
Em	D	Asus	A
I live	only to please	You

Always			

With every step that I take
With every move that I make
With all that strength I can find
With all my heart my soul my mind

No matter the cost
Despite what is gained, what is lost
