Stole My Heart
Jeremiah Bowser

(intro) (**Em D A**) (2x)

```
Em           D                    A
  I can t explain the way i feel
Em                  D            A
  What was once a mystery is so real

Em
  No more running
           G
  No more hiding

  Since the day you stole my heart
Em
  Darkness fades away,
                  G
  The light is here to stay
                              ( Em  D  A    Em  D  A )
  Since the day you stole my... heart...

Em            D                 A
  From the to now so much has changed
Em            D                A
  My whole world s been re-arranged

Em
  No more running
           G
  No more hiding

  Since the day you stole my heart
Em
  Darkness fades away,
                  G
  The light is here to stay

  Since the day you stole my heart.
Em
  I ve been affected
                 G
  My soul resurrected

  Since the day you stole my heart
Em
  Loneliness has left me,
                 G
  Happiness has found me,
```

(**Em D A   Em D A**)
Since the day you stole my... heart...

(**Em D A   Em D A**)
Since the day you stole my... heart...
