D/B **D/A**
To think You are pleased with just a piece
F#m **G**
A painless offering meant to appease You God

Not just a portion, but the entirety
What You are asking for will cost me everything

D/G
You want it all
F#m/A **A** **A7**
You want it all
D/G
You want it all
F#m/A **A** **A7**
You want it all

Not just a moment, but eternity
What You are asking for will cost me everything

Bridge:

D/F# **D/E** **D**
I surrender all to You Jesus
G
I surrender all of me to You
D/F# **D/E** **D**
Everything I am, to You Jesus
G
My all, in worship to You

I surrender all to You Jesus
I surrender all of me to You
Everything I have, to You Jesus
Holding nothing back from You
