

**Empty Me**

**Jeremy Camp**

These chords aren't the normal key of the song. I changed the chords so it is higher.

It is standard tuning but it just isn't the same key as the one on the cd!

ENJOY!!

Verse 1

**E**                    **A**  
Holy fire burn away  
**E**                    **A**  
My desire of anything  
                  **E**                    **A**  
That is not of you and is of me  
                  **E**                    **A**  
I want more of you and less of me

Chorus

**E B C#m A E B C#m A**  
Empty me,    Empty me
