

Jingle Bell Rock

Jeremy Camp

This song is not an acoustic piece!
If you want to play it as an acoustic jam,
I recommend: Capo 1,
playing the song in C [**C, F, Dm, G, D7, A**]
using a bar chord for **Ab** [**G**],
and not worrying about the [**Gb/A**] just play it without the A.
Oh and palm mute everything!
Merry Christmas! Have Fun!
