```
[Verse 2]:
[Pm]A2
   On my own I always fade out fast
   But on the Rock my every step will last
   Im resting in your words that never fail
   Your searchin every part of me
   I need to stop so I can hear You speak
   B/F#
   I long for You, so hear I am so thirstyyy
   [Pre-Chorus]:
                    Е
                                   B/F#
   My only peace is wating before You
       A2
                       Е
   My praise to You is drowning the noise around me
  [Chorus]:
      A2
   I wish I could slow down time
                   Е
   I wish I could wait here at Your Feet
                   B/F#
   Cause with You is the only place that
   I wanna be
   I know i should take it all in strides
   I know You are there with every reach
   Cause with You is the only place that
   I wanna be
 [Bridge]
 [Rock]
 [Chorus]:
      A2
   I wish I could slow down time
   I wish I could wait here at Your Feet
                   B/F#
   Cause with You is the only place that
   I wanna be
   A2
    I know i should take it all in strides
```
