

**Come Fly Away**  
**Jeremy Fisher**

Intro: C - G7sus4

C        G7sus4        C        G7sus4  
Like a sparrow on a wire  
C        G7sus4        C        F  
Singin the same song everyday  
C        G7sus4        C        G7sus4  
I m feeling restless but I m tired  
C        G7sus4        C        G7sus4  
Don t want to leave but I can t stay

G                    F  
You and me need something more  
          G                    F            G  
It s time to spread our wings and go  
          C G7sus4            Am        F  
So come        -        fly away!  
                  Dm                    F            Dm                    G  
Through the clouds into the sun, far away from everyone

C        G7sus4            Am        F  
Come                    - fly away  
                  Dm  
When we get above the rain  
                  G                    C        G7sus4  
They are all - sunny days

C        G7sus4        C        G7sus4  
My heart is pounding like a hammer  
C        G7sus4        C        F  
Chasing the seasons round the sun  
C        G7sus4        C        G7sus4  
Just like a question with no answer  
C        G7sus4        C        G7sus4  
I guess we re always on the run

G                    F  
You and me need something more  
          G                    F            G  
It s time to spread our wings and go  
          C G7sus4            Am        F  
So come        -        fly away!  
                  Dm                    F            Dm                    G  
Through the clouds into the sun, far away from everyone

**C**        **G7sus4**                **Am**    **F**  
Come                                - fly away

**Dm**  
When we get above the rain

**G**                        **C**        **G7sus4**  
They are all - sunny days

Break: **C**    **G7sus4**

Outro:

**C**    **G7sus4**    **Am**    **F**  
Oh woah-oh!                        (until end)
