Verse:

**G** **Csus G**  
When you re old and gray  
**G** **D** **Em**  
Lines etched upon your face  
**G**  
Put your hair down  
**Csus G**  
I ll kiss your brow  
**D**  
Call you beautiful

**Am D**  
I ll love your old skin  
**C G**  
Love your old skin  
**Am D**  
Love your old skin  
**C G**  
I ll love your old skin

**Csus G**  
And when there s nothing left  
**D Em**  
Ashes and silhouettes  
**Am C**  
I hope that I find my rest  
**G**
