FEAR NOT THIS NIGHT

GW2 Soundtrack - Jeremy Soule feat. Asja

[Verse 1]

Bm **G** **A** **E**
Fear not this night You will not go astray
Bm **G** **A** **E**
Though shadows fall Still the stars find their way
Bm **G** **A** **E**
Awaken from a quiet sleep Hear the whispering of the wind
Bm **G** **A** **E**
Awaken as the silence grows In the solitude of the night
Bm **G** **A** **E**
Darkness spreads through all the land And your weary eyes open silently
Bm **G** **A** **E**
Sunsets have forsaken all The most far off horizons

Em **Bm** **A** **E** **G** **Bm** **A** **E**
Nightmares come when shadows grow Eyes close and heartbeats slow
Bm **G** **A** **E**
Fear not this night You will not go astray
Bm **G** **A** **E**
Though shadows fall Still the stars find their way

G **Bm** **A**
And you can always be strong
G **Bm** **A**
Lift your voice with the first light of dawn
G **Bm** **A**
Dawn s just a heartbeat away
G **Bm** **A**
Hope s just a sunrise away

[Verse 2]

Bm **G** **A** **E**
Distant sounds of melodies Darting through the night to your heart
Bm **G** **A** **E**
Auroras, mists, and echoes dance In the solitude of our life
Bm **G** **A** **E**
Pleading, sighing arias Gently grieving in captive misery
Bm **G** **A** **E**
Darkness sings a forlorn song Yet our hope can still rise up

Em **Bm** **A** **E**
Nightmares come when shadows roam
G **Bm** **A** **E**
Lift your voice, lift your hope

Bm **G** **A** **E**
Fear not this night You will not go astray
Bm **G** **A** **E**
Though shadows fall Still the stars find their way
