Fear Not This Night Jeremy Soule

FEAR NOT THIS NIGHT GW2 Soundtrack - Jeremy Soule feat. Asja [Verse 1] Fear not this night You will not go astray Though shadows fall Still the stars find their way Awaken from a quiet sleep Hear the whispering of the wind Awaken as the silence grows In the solitude of the night Darkness spreads through all the land And your weary eyes open silently BmG Sunsets have forsaken all The most far off horizons A E \mathbf{Em} BmG BmΕ Nightmares come when shadows grow Eyes close and heartbeats slow Α Fear not this night You will not go astray Though shadows fall Still the stars find their way BmAnd you can always be strong BmLift your voice with the first light of dawn Вm Dawn s just a heartbeat away Bm Hope s just a sunrise away [Verse 2] Е Distant sounds of melodies Darting through the night to your heart G Auroras, mists, and echoes dance In the solitude of our life Pleading, sighing arias Gently grieving in captive misery Darkness sings a forlorn song Yet our hope can still rise up Nightmares come when shadows roam

Lift your voice, lift your hope
