FEAR NOT THIS NIGHT

GW2 Soundtrack - Jeremy Soule feat. Asja

[Verse 1]

C#m **A** **B** **F#**
Fear not this night You will not go astray
C#m **A** **B** **F#**
Though shadows fall Still the stars find their way
C#m **A** **B** **F#**
Awaken from a quiet sleep Hear the whispering of the wind
C#m **A** **B** **F#**
Awaken as the silence grows In the solitude of the night
C#m **A** **B** **F#**
Darkness spreads through all the land And your weary eyes open silently
C#m **A** **B** **F#**
Sunsets have forsaken all The most far off horizons

F#m **C#m** **B** **F#** **A** **C#m** **B**
F#
Nightmares come when shadows grow Eyes close and heartbeats slow
C#m **A** **B** **F#**
Fear not this night You will not go astray
C#m **A** **B** **F#**
Though shadows fall Still the stars find their way

A **C#m** **B**
And you can always be strong
A **C#m** **B**
Lift your voice with the first light of dawn
A **C#m** **B**
Dawn s just a heartbeat away
A **C#m** **B**
Hope s just a sunrise away

[Verse 2]

C#m **A** **B** **F#**
Distant sounds of melodies Darting through the night to your heart
C#m **A** **B** **F#**
Auroras, mists, and echoes dance In the solitude of our life
C#m **A** **B** **F#**
Pleading, sighing arias Gently grieving in captive misery
C#m **A** **B** **F#**
Darkness sings a forlorn song Yet our hope can still rise up

F#m **C#m** **B** **F#**
Nightmares come when shadows roam
A **C#m** **B** **F#**

Lift your voice, lift your hope

C#m **A** **B** **F#**

Fear not this night You will not go astray
