

The Boat Song  
Jeremy Warmsley

Tuning is altered. Each string is tuned a half step down. (Eb-Ab-Db-Gb-Bb-Eb)

**Am** **Am7** **Am** **Am7**  
We played a while, in the sand

**Dm** **Em**  
Til it rained and the floods began

**Am** **Am7** **Am** **Am7**  
For forty days it was Biblical

**Dm** **Em**  
Had the idea of the building of boats

And there was

**F** **G**  
One boat for you and one boat for me

**Em** **Am** **G** **D**  
We sailed away on the never ending sea

**Am** **Am7** **Am** **Am7**  
Caught a glimpse of your sail so wide

**Dm** **Em**  
I tried to signal but you sailed on by

**Am** **Am7** **Am** **Am7**  
Was it a ghost or a trick of the light?

**Dm** **Em**  
Or are you sleeping in the ocean tonight?

And we had

**F** **G**  
One bed for you and one bed for me

**Em** **Am** **G** **D**  
We sleep alone on the never ending sea

**Am** **Am7** **Am** **Am7**  
And if I ever see the solid ground

**Dm** **Em**  
I know I won't be turning around

**Am** **Am7** **Am** **Am7**  
Seems so strange that I played with you

**Dm** **Em**  
Now my hands are harder and my heart is true

And there was

**F** **G**  
One rule for you and one rule for me

**Em** **Am** **G** **D**  
Always alone on the never ending sea

(**Am**, **Am7**, **Am**, **Am7**, **Dm**, **Em**) x2  
[Aha-ah-ah-ah Ahh-ah-ah]

**F** **G**  
One boat for you and one boat for me

**Em** **Am** **G** **D**  
We sailed away on the never ending sea

**Am** **Am7** **Am** **Am7**  
The rains lifted and I saw you were near

**Dm** **Em**  
But now I'd rather go alone from here
