[Intro]

C D Em7 Bm7
C D Em7 Bm7

C D Em7 Bm7
Why do you cry with your hair tied up and my t-shirt on?
C D Em7
I guess I ll be gone when the lease is up
Bm7
Where did we go wrong?

[Pre-Chorus]

C D
But damn, you look good when your tears dry up
Em7 Bm7
I hate to be the one to make your fears fire up
C D
I ll be outside when the sky falls down
Em7 Bm7
Wanna get the fuck out this lonely town
C D
Where will you be when I go insane?
Em7 Bm7
I don t give a fuck, it all feels the same
C D
Easier to blame with a broken heart
Em7 Bm7
Hate me now that we ve grown apart

[Chorus]

C D
What do you desire? (Hold me down when I fall apart)
Em7 Bm7
(Hold me down when I fall apart)
C D
What do you desire? (Hold me down when I fall apart)
Em7 Bm7
(Hold me down when I fall apart)

[Verse 1]

C D
By now, I should be in LA
Em7 Bm7
Wasting my time chasing better days
C D
But I know way too many things to stay
Em7 Bm7

Alone, at loss for words, but still

C D Em7

Bm7

I ve won and I ve lost but I ve fell and I ve fucked it up

C D Em7

Bm7

I ve won and I ve lost but I ve fell and I ve fucked it up

C D Em7

Laying in bed with my headphones on

Bm7

And our playlist stop

C D Em7

I m spinning right now, hope it don t last long

Bm7

Why did I get drunk?

[Pre-Chorus]

C D

But damn, you look good when your tears dry up

Em7 Bm7

I hate to be the one to make your fears fire up

C D

I ll be outside when the sky falls down

Em7 Bm7

Wanna get the fuck out this lonely town

C D

All of these years, do you feel the same?

Em7 Bm7

Chasing our ride in the pouring rain

C D

Staying up late just to walk you home

Em7 Bm7

Clinging to me like it s all you know

[Chorus]

C D

What do you desire? (Hold me down when I fall apart)

Em7 Bm7

(Hold me down when I fall apart)

C D

What do you desire? (Hold me down when I fall apart)

Em7 Bm7

(Hold me down when I fall apart)

[Verse 2]

C D

Lately I ve been left out for dead

Em7 Bm7

Caught between hits of your cigarette

C D

If I m honest, pretty sure I m still

Em7 Bm7

Alone, at loss for words, but still

C D Em7 Bm7
I ve won and I ve lost but I ve fell and I ve fucked it up
C D Em7 Bm7
I ve won and I ve lost but I ve fell and I ve fucked it up

[Bridge]

C D
But damn, you look good in your photographs
Em7 Bm7
Breaking my heart every time you laugh
C D
All of these shots poured down the drain
Em7 Bm7
I tried, but it tastes like Novocaine
C D
Now that you re free, do you feel alright
Em7 Bm7
Downing these shots with another guy
C D
I know you ve moved on, just know that I m trying
Em7 Bm7 C D Em7 Bm7
Anything it takes to feel alright

[Instrumental]

C D

[Outro]

Em7 Bm7 C D Em7
For you, yeah I ve heard it all and made mistakes
Bm7 C
Chased my days with Novocaine
D Em7 Bm7 C
Oh, I wonder, are we a work of art
D Em7
I know we ll suck at making plans
Bm7 C
In the end you ll understand
(For you)

[Outro]

C D Em7 Bm7
