Let s face the facts you ain t coming back,
Cadd9
Like a train down a track.
G Dsus4 Em
So much I d change even your last name
Cadd9 Em
But it s way too late for that.
Dsus4 G
While I m sinking low,
Cadd9
You re taking the high road.
G Cadd9 G Cadd9
Hope you get what you deserve.

G Dsus4 Em
And now our past, like mental photographs
Cadd9
I picture you with me.
G Dsus4 Em
As I lie awake in the bed I ve made
Cadd9 Em
While you re fast asleep.
Dsus4 G
It s a lesson that I ve learned
Cadd9
And a peace of mind you ve earned.
G Cadd9 G Cadd9
Hope you get what you deserve.

Cadd9 G
What goes around comes around. Sure you ve got it coming back to you.
Cadd9 G
Cause karma has a funny way of settling all the things we do
Dsus4 Cadd9
And girl right now you know I hurt
Dsus4 Cadd9
But baby for what it s worth,
G Cadd9 G Cadd9
Hope you get what you deserve.
